

Large Group Visits (Schools, Offices, etc.)

 **Customer:**

hey! we're planning to bring like 300 students from our school to Dreamspire. what kinda special stuff do u guys offer for big groups?

 **Salesperson:**

hey, that's awesome! for big groups like schools, we got some great perks. first, group discounts on tickets to make it easier on your budget. plus, reserved dining areas so your students can eat comfortably without long waits.

 **Customer:**

nice! what kinda food options do u have for such a big group?

 **Salesperson:**

we offer a variety — from kid-friendly meals like pizza, sandwiches, and fruit cups to healthier options and allergy-friendly menus. if you want, we can also arrange customized meal plans or special diet requests, just let us know in advance.

 **Customer:**

cool. what if we want to stay overnight? do u have accommodation?

 **Salesperson:**

yes, Dreamspire partners with nearby hotels for group stays, and we can arrange special rates. some hotels also offer shuttle service to the park. plus, for overnight groups, we can coordinate breakfast, lunch, and dinner either at the park or the hotel.

 **Customer:**

what about dinner? can we customize that?

 **Salesperson:**

definitely! for dinners, we can set up group banquet-style meals, themed dinners, or even interactive dining experiences. just share your preferences or themes, and our event team will help organize.

 **Customer:**

awesome! how about supervision? kids can get lost easily.

 **Salesperson:**

no worries. we assign special group coordinators — trained staff who manage your group, keep track of the kids, help if anyone's lost, and handle lost-and-found for your group's stuff.

 **Customer:**

can coordinators help with scheduling rides or events?

Salesperson:

yes! they'll work with you to plan the day, reserve ride times to reduce waits, and organize group activities or shows so everyone gets a fair chance.

Customer:

and transport? we'll be coming by bus.

Salesperson:

we have dedicated large vehicle parking spots and can help arrange shuttle services if needed. just share your arrival details.

Customer:

great! how do we book all this?

Salesperson:

just give me your contact info and visit details — date, number of people, special needs — and i'll connect you with our group events team to handle the rest.

Customer:

okay, my email is schooladmin@example.com and phone is 555-1234

Salesperson:

thanks! you'll hear from us soon with a full plan and quote. feel free to ask anytime if you want to customize or add anything.

Customer:

thanks a lot!

Salesperson:

you're welcome! excited to host your group at Dreamspire! 😊
