

Special Needs & Dietary Restrictions

Guest:

hey, i'm planning to visit with my kid who has some dietary restrictions and also some special needs. can u help with that?

Salesperson:

hey! totally, we wanna make sure everyone has a great time. we got allergy-friendly and special diet options all over the park — gluten-free, dairy-free, vegan, you name it. and our staff are trained to help with any questions.

Guest:

that's good to know. what about sensory stuff? my kid gets overwhelmed in crowds and loud places.

Salesperson:

we understand. Dreamspire has quiet zones and sensory-friendly areas where you can take breaks. plus, some rides have low-sensory versions or alternative experiences. we also offer rental noise-canceling headphones and sensory kits.

Guest:

wow, that sounds perfect. is there a way to pre-arrange this stuff?

Salesperson:

definitely! you can contact us ahead of time or just let guest services know when you arrive and we'll help set everything up for you.

Guest:

great. do you send info about this stuff beforehand?

Salesperson:

yep! just give me your email or phone and i'll send you all the details and tips.

Guest:

sure, email's [guest9@example.com]

Salesperson:

thanks! i'll get that info right out to you. feel free to ask anytime if you want more help planning your visit.

Guest:

thanks so much, that really helps.

Salesperson:

you're welcome! we wanna make Dreamspire fun and comfy for everyone. 😊
