

5. Groups & Corporate Events

 **Guest:**

hey, i'm planning a big group visit — maybe like 100 people from our company. can Dreamspire handle something like that?

 **Salesperson:**

hey! oh totally, Dreamspire is perfect for big groups. we got special group packages with discounted rates, plus reserved areas for meals and meetups. also our train that circles the whole park is great for moving groups around easily.

 **Guest:**

nice! what about organizing things like team-building activities or private events?

 **Salesperson:**

yeah for sure! we offer custom team-building experiences, like scavenger hunts across different zones, or exclusive rides after-hours for corporate clients. also private event spaces with catering — pretty flexible.

 **Guest:**

sounds great. what's the booking process like? do i need to book months in advance?

 **Salesperson:**

ideally yeah, especially for big groups or private events, it's best to book at least 2-3 months ahead. but we try to accommodate last-minute requests too if we can.

 **Guest:**

ok cool. can you send me info about the packages and pricing?

 **Salesperson:**

absolutely. can i get your email or phone so i can send you all the details and updates about group events or special promos?

 **Guest:**

sure, email's [groupplanner@example.com].

 **Salesperson:**

thanks! i'll send it over ASAP. feel free to reach out anytime for help with planning or questions.

 **Guest:**

will do, thanks for the help!

 **Salesperson:**

you're welcome! looking forward to hosting your group at Dreamspire — it's gonna be epic! 🎉
