

11. Safety & Park Rules

 **Guest:**

hey, i just wanna check what kinda safety stuff you got at Dreamspire? like rules and stuff.

 **Salesperson:**

hey! totally get that — safety's our top priority here. we got clear ride restrictions for height and health, plus trained staff on site all day. there's also security patrols and lots of cameras to keep everyone safe.

 **Guest:**

cool. what about things like covid or hygiene measures?

 **Salesperson:**

yeah, we keep up with all health guidelines — lots of sanitizing stations, regular cleaning, and mask rules if needed during outbreaks. plus contactless payments to keep things smooth.

 **Guest:**

nice. any rules guests should know about?

 **Salesperson:**

just the usual stuff — no outside food or drinks, no smoking except in designated areas, follow staff instructions, and be respectful to others. and always keep an eye on your stuff!

 **Guest:**

sounds fair. do u send info about any rule changes or alerts?

 **Salesperson:**

yep, i can add you to our updates list if you want — just need your email or number.

 **Guest:**

yeah, email's [guest8@example.com]

 **Salesperson:**

 **Salesperson:**
